Silver Star Mention Gaucho educated RAGMAG and we're now steak and wine connoisseurs! See their out + about article entitled It Takes Two to Tango page XX

Silver Star Mention RAGMAG was dazzled when the team went for dinner at Coucley. We saw the impeccable service of manager Nassim Assaf and indulged in the expert cuisine of Executive Chef Alexis Coucquet.

Silver Star Mention Indigo on the Roof Le Gray Hotel is one of the only places in Lebanon to have a sommelier. RAGMAG enjoys Le Gray so much that we often give away Le Gray gift certificates to our RAGING letter winners!
